

STUDENT SERVICES

Special Education Students: The District shall provide those necessary services for handicapped and/or disabled students which are required by law and/or regulation.

Student Assistance Program: Alcohol and drug use impair a student's abilities and limit the effectiveness of the student's educational program. The District shall provide a Student Assistance Program which shall be a cooperative effort to provide alcohol and drug abuse prevention education, early identification, referral, and support to students.

Gifted Student Programs: The District shall provide programs for gifted students in accordance with the District's plan for gifted and talented students to be prepared, implemented, and maintained by the Administration.

Homebound Services: The District shall provide homebound services to: 1) any student with a medical condition so severe that it will cause the student to be absent from school for two consecutive weeks or more and whom the homebound team determines can benefit educationally from such a program; 2) any pregnant student whose medical condition requires confinement to the home; or 3) any disabled student whose educational needs can best be met by such a program, as determined by an Individualized Education Program (IEP) Team or Section 504 Accommodation Team. Eligibility for homebound services, the services provided, and the duration of such services shall be determined by the homebound team, the IEP team, or the Section 504 Accommodation Team, whichever is appropriate. The Administration may develop, implement, and maintain procedures for providing homebound services to students.

Extended School Year: The Board may authorize the conducting of summer school or night school as deemed appropriate. In adopting either a summer school or night school program, the Board shall determine an appropriate curriculum, teacher compensation, and admissions guidelines.

School Counselor: The District employs School Counselors who may serve as liaisons between students, teachers, and parents, and may provide personal counseling, educational planning, career planning, enrollment, and individual and group testing. Students may be referred to a School Counselor by teachers or principals. In addition, parents who wish to meet with a School Counselor may schedule an appointment and students may request an appointment through their home-room teacher.

Work-Study: The District may establish by regulation a work-study program for students in their senior year of high school.
